Plaintiffs,

v.

NEW YORK CHUTES, LLC,

Defendant.

Case No. 1:22-cv-1294-PTG-WEF

DECLARATION OF ERIC MESLIN

1. I, Eric Meslin, submit the following declaration.

2. I am the President and Business Manager for Local Union No. 28 of the International Association of Sheet Metal, Air, Rail and Transportation Workers, formerly known as the Sheet Metal Workers' International Association ("Local 28"). I have been Local 28's Business Manager since July 1, 2019.

3. I am familiar with the facts and circumstances set forth in this declaration and I have reviewed Local 28's records to provide this testimony.

4. Local 28 negotiated a collective bargaining agreement with the Sheet Metal & Air Conditioning Contractors Association of New York City, Inc. and SMACNA of Long Island, Inc. (collectively, "SMACNA") effective for the period of August 1, 2014 through July 31, 2017 ("2014 CBA"). NY Chutes executed a Memorandum of Understanding binding them to the 2014 CBA.

5. Local 28 and SMACNA entered into a Memorandum of Agreement modifying and extending the terms of the 2014 CBA through July 31, 2020 ("2017 CBA"). Local 28 and SMACNA then agreed to extend the 2017 CBA through October 31, 2020. SMACNA and Local

28 then negotiated a successor agreement effective for the period of November 1, 2020 through October 31, 2021 (“2020 CBA”).

6. It is Local 28’s position that NY Chutes was bound to the 2017 and 2020 CBAs.

7. NY Chutes sent a letter to Local 28 on December 29, 2021 serving as its “official request to withdraw from the SMW Union Local 28 effective December 31, 2021.” Accordingly, NY Chutes was bound to the CBAs with Local 28 for the period of October 6, 2015 through December 31, 2021. A true and accurate copy of this letter is attached hereto as Exhibit 1.

8. At times while the 2017 and 2020 CBAs were in effect, according to the Union’s records, NY Chutes paid working assessments on behalf of its covered employees.

9. Additionally, according to the Union’s records, NY Chutes reported covered hours worked by various employees during the period March 2019 through July 2019. A true and accurate copy of NY Chutes’ reported work history to Local 28 is attached hereto as Exhibit 2.

10. NY Chutes complied with a payroll audit conducted by the National Benefit Funds and the Sheet Metal Workers’ Local Union 28 Benefit Funds (the “Local Funds”). Local 28 received a copy of the audit findings reflecting that NY Chutes contributed to the Local Funds for covered employees in certain months but failed to report certain covered hours associated with the Wilkinson Hi-Rise Job. The audit also revealed that NY Chutes owed additional amounts as a result of using non-union subcontractors to perform work under the jurisdiction of the CBAs. A true and accurate copy of the audit findings as to the Local Funds is attached hereto as Exhibit 3.

I have read this declaration in its entirety. Pursuant to 28 U.S.C. §1746, I certify under penalty of perjury that the foregoing is true and correct.

Executed on 7/19/23.

Board of Trustees
Sheet Metal Workers' Local Union 28 Benefit Funds

We have applied certain procedures, as discussed below, to the payroll records of NY Chutes LLC, a contributing employer to the Sheet Metal Workers' Local Union 28 Benefit Funds for the period of January 2019 through December 2020.

The purpose of our review was to assist you in determining whether contributions to the Trust Fund are being made in accordance with the collective bargaining agreement in effect and with the Trust Agreement of the Fund. The propriety of the contributions is the responsibility of the employer's management.

Our procedures included a review of the pertinent provisions of the collective bargaining agreements and compared underlying employer payroll records to the Fund's contribution records. The employer records we reviewed included payroll journals, individual earning records, payroll tax returns, contribution reports, job classifications, and general disbursements records as appropriate. The procedures are performed on a test basis and may be expanded if the results so warrant. The scope of this engagement is limited to records made available by the employer and would not necessarily disclose all exceptions in employer contributions to the Fund. Any compensation paid to employees not disclosed to us or made part of the written record was not determinable by us and was not included in our review.

Our procedures related to a review of the employer's payroll records only and did not extend to any financial statements of the contributing employer. The procedures were substantially less in scope than an audit of financial statements of the contributions employer, the objective of which is the expression of an opinion on the contribution employer's financial statements. Accordingly, no such opinion is expressed.

The exceptions to employer contributions noted are detailed on the accompanying schedules.

COMPLIANCE AUDIT REPORT

Employer Name:	NY Chutes LLC
Employer Number:	1868
Field work Started:	March 4, 2022
Period Examined:	January 2019 through December 2020
Contact:	Julianne Fox
Title:	Owner
Location of Employer:	5 Honeyman Road Lebanon, NJ 08833
Location of Audit:	Calibre CPA Group, PLLC Bethesda, MD 20814
Email Address:	nychutes@gmail.com

Summary of Compliance Audit Findings:

Findings were noted due to the employer failing to report employees performing covered work as well as using independent contractors to perform covered work. The employer reviewed the draft findings and disagreed with results. The employer disagreed because the employees were non union employees working on non union jobs however (per her email) they were performing covered work. Initial findings remain.

COMPLIANCE AUDIT REPORT (cont'd)

1) Test Sample Size and Procedures:

The auditor tested payroll, bargaining units, and general ledger to complete the audit.

2) Hire and Term Test Sample Size and Procedures:

Auditor was provided payroll and noted the employees who were reported had been reported from date of hire.

3) Employee ID Test Sample and Procedures:

Auditor was provided Form W-2s during the audit period and noted everyone performing covered work had been reported.

4) 1099 and General Ledger Test Sample and Procedures:

Per the contact, no 1099s were issued during the audit period. The auditor reviewed the cash disbursement report and noted independent contractors had been used to perform covered work.

5) Was a current copy of the surety bond or equivalency letter of credit provided?

A surety bond was not provided by the employer.

6) Management Notes

On March 3, 2023 revisions were made as requested from Fund due to additional information being provided. The Local and National Funds advised the work performed by Edwin Rivera as well as Christian Garcia was not covered work and therefore those employees were removed. The employees in 2018 (Jerson, Buona, Christian D) were removed due to no additional information showing they performed covered work. Original email from employer stated they did the same work as Edwin Rivera and therefore they were removed for this revision. Lastly, the invoice for Wilkinson Hi-Rise was reviewed from 2019. The invoice states NY Chutes will provide labor only with an invoice amount of \$35,000 for the labor. Auditor divided this invoice amount by the Journeyman wage rate at the time which calculated to 636.71 hours. In 2019 the employer only reported 79.25 hours and therefore Auditor picked up the remaining 557.46 hours under a Maurice Anderson as a placeholder for now.
